

## The Colnbrook Community Cup 2017

The Colnbrook Community Cup recognises the unsung heroes of our community who go that extra mile to make the Parish and the lives of those that live in it, a better place. Whether they be an individual, a group or an organisation, the Colnbrook Community Cup celebrates their efforts and achievements.

Anyone can nominate or be nominated as long as they live or work within the Parish. Nominations should be presented to the Parish Council either by email to the Clerk by the end of May or in person at the next Parish Council meeting on Tuesday 6th June. Please include the name of your nominee along with a brief explanation of why they deserve to win.

The Parish Council will then vote for the winner who will be announced on Tuesday 4th July. Previous recipients of the Colnbrook Community Cup

1997	New Colnbrook Football Team
1998	Colnbrook C.E. Primary School Orchestra
1999	Westfield Residents Association

*N.B The winner of the Colnbrook Community Cup understands that they are required to hand the cup back after a year and be asked to present it to the next winner.*

**COLNBROOK COMMUNITY CUP**

**Colnbrook Village Hall  
Tuesday 4th July  
730pm**

## The Colnbrook Community Cup 2017 Nominees

**David West**, of Crown Meadow, for his continuous fund raising for the homeless. For the last three or more years David, along with friends and other fundraisers, has spent Christmas Eve sleeping alongside London's homeless in order to raise money for the charity, Crisis.

To date they have raised over £3,500 through online donations. We all have to remember that sleeping rough is not something that people choose, and David and friends' dedicated Facebook page promotes their charity work as well as publicising local homeless persons in order to get them help.

This kind of humble but incredibly worthy campaigning is exactly what the Colnbrook Community Cup is all about.

**Gill Furzer** she is always helping Pippins School with going in as a teacher assistant to help the children learn in class. If there is an event at the school you can always count on her to volunteer.

Not only does she do this for Pippins, but she also helps at St Thomas Church no end with running the church's events, and even with the day to day running of the church. She is also from my understanding very active in helping other groups/Church in Wraysbury.

The residents of Colnbrook do not realise what this lady has done behind the scenes. I really feel she should be acknowledged for all her effort over many many many years.

**Gillian Angell** has served this village for many many many years, whether it be in the form of picking up a paint brush/litter picking on one of our many love our Village clear up days, or delivering newsletters.

By helping with the running of every village event that is laid on whether it be on behalf of the Parish Council or the Residents

Association she always get stuck in, from making sandwiches, taking minutes, book keeping, running a stall, clearing up, they by helping with the running of every village event that is laid on whether it be on behalf of the Parish Council or the Residents Association she always get stuck in, from making sandwiches, taking minutes, book keeping, running a stall, clearing up, they even get friends and family involved to help make sure we have enough people to make an event happen, the last two Apple Fairs which raised a great deal of money for this village, would not have happened had it not been for Gill's friends and families.

The residents of Colnbrook do not realise what Gill has done behind the scenes. I really feel she should be acknowledged for all they have put in over many many many years.

**Jane West** deserves the Colnbrook Community Cup 2017.. I have said for many years it's time the community showed this lady their appreciation of her.. She is one of the best always there with a smile and friendly chat and always goes that extra mile and more to show that someone is listening..

She has done so much for the community and the residents of the community and plays a big part in local events, she like to be involved she's a very good people's person.. If anyone deserves this cup it's definitely Jane West from crown meadow

**Jill Hood** has served this village for many many many years, whether it be in the form of picking up a paint brush/litter picking on one of our many love our Village clear up days, or delivering newsletters. By helping with the running of every village event that is laid on whether it be on behalf of the Parish Council or the Residents Association she always get stuck in, from making sandwiches, taking minutes, book keeping, running a stall, clearing up, they even keeping, running a stall,

clearing up, they even get friends and family involved to help make sure we have enough people to make an event happen, the last two Apple Fairs which raised a great deal of money for this village, would not have happened had it not been for Jill's friends and families.

The residents of Colnbrook do not realise what Jill has done behind the scenes. I really feel she should be acknowledged for all they have put in over many many many years.

**Jo Doyle** (Pippins Park Herb Garden Founder) for all her hard work of what she has done on the Herb Garden in Pippins Park and all her hard work with the Gardening Club at Pippins School with the children.

**Mike Nye**; Colnbrook within Poyle are lucky to have someone like Mike Nye looking out for residents. Giving up so much time for the community, always a consummate professional, passionate and service-driven. Inspires change, develops residents and their solutions. Ambitious, dynamic and resourceful, this innovative approach produces winning results.

Mike Nye have being a resident for almost 4 decades and have being involved in a lot of projects in Colnbrook within Poyle and an ex councillor.

The Colne Valley's "hidden, but vulnerable, treasure" is what inspired Mike Nye to get in with the pressures on the Colne Valley summed up by Colnbrook's own "traffic mayhem"- "queue of lorries causing traffic chaos trying to get into a small garage ", the BP opposite the home in Willow Close.

Mike campaigned against SIFE which will have been a great impact on our communities, and Green Belt, and also address the HS2 Select Committee, making the case for mitigation of the impact of the proposed Heathrow Express depot to Langley.

While Mike Nye was a councillor, Mike Nye won an argument for Colnbrook within Poyle to stay unchanged, forcing the Boundary Commission into a rethink on their recommendations to merge the village into a combined Colnbrook & Langley East ward.

**Sean Kelly** contribution to our community cannot be rivalled by any of the other nominees. His work for the whole community as chair of the car, the very organisation that brought about the parish council. His work for Pippins school, ST Thomas' Church, the Scouts and anybody that asks for help

He is currently working hard organising the Colnbrook fun day

**Sheila Underwood** this lady never stops; she helps the CRA with all our events, in every way possible, from running a stall to contacting radio stations and taking minutes.

She is always helping our community; one example was taking the minutes at a moment's notice for the Medical Centre's question and answer meeting, when she had only just got back off holiday. The following morning she was helping St Thomas Church with their love our church day by helping repair the chairs. A very active member of the NAG. A very active member at Harmondsworth Church as well as running her various other good causes outside our village.

The residents of Colnbrook do not realise what this lady has done behind the scenes. I really feel she should be acknowledged for all her effort over many many many years.
