

M4 full weekend closures between junctions 6 to 8/9

 15 November - 18 November 2019

 29 November - 2 December 2019

The M4 will be closed in both directions between junctions 6 to 8/9 for two full weekends this autumn.

8pm Friday 15 November 2019 until 6am Monday 18 November 2019

8pm Friday 29 November 2019 until 6am Monday 2 December 2019

We're closing this section of the motorway so we can carry out a series of bridge works including:

- demolition of Marsh Lane bridge
- lifting of the new bridge deck at Monkey Island Lane bridge
- installation of a temporary bridge at Huntercombe Spur, junction 7
- demolition of the old Huntercombe Spur bridge and Oldway Lane bridge

Diversion routes will be clearly signed for the duration of the closure. Please plan ahead, find alternative routes and avoid this section of the M4 during this time if possible.
