The Owner / Occupier

Sutton Lane

Our Ref: S/HM-11-05-2020-21

Dear Sir/Madam

## Re: Sutton Lane - Carriageway Resurfacing Works

Carriageway of Sutton Lane between the junctions Parlaunt Road and Hurricane Way roundabout will be resurfaced. The works are due to start Monday 19 October 2020 between the hours 8 pm and 5 am. These works are anticipated to be completed within 5 nights subject to weather conditions.

The works will be carried out by our resurfacing contractor Slough DSO contact persons Mr Keith Paradise or Lewis Smith (contact phone number 01753475111). Please note that above mentioned section of the **road will be closed for traffic during carriageway resurfacing works**, signs will be displayed showing alternative diversion routes.

As we are carrying out works during evening/night hours the contractor has been asked to stop any pneumatic tooling works by **00:00hrs**; however some noise is inevitable. Access to all properties will be made available but on some occasions it may not be practical.

Please accept our apologies in advance for any inconvenience caused by noise or road closure as a result of these works.

The contractor has been requested to cause as little inconvenience as possible but sometimes this is inevitable and your co-operation and forbearance will be appreciated.

If in the meantime should you require any further information please do not hesitate to contact us.

Yours faithfully

Shahzad Khan  
Assistant Engineer Highways Maintenance
